Welcome to Lykis Limited

► Your Business Companion for Personal Care

Lykis is a BSE-listed, 3-star export house built for distributors who are tired of juggling 10 suppliers, chasing delayed shipments, and resolving compliance issues at 2 AM.

We consolidate **Personal Care, Food & Beverages, Raw Materials, Packaging Materials and Industrial Goods** under one roof, so you can focus on building brands, not managing operational chaos. From sourcing and NPD to quality assurance, compliance, and logistics — we handle it all. You get the scale of a multinational and the reliability of a partner who answers the phone.

50+ Private Label Brands | 5000+ SKUs | 30+ Countries

We've shipped to different markets before. We understand the multicultural framework, we know the certifications you need, the formulations that sell and the logistics that don't fail.

One window. Every export. Everywhere.

Our word is our bond — commitments kept, every time, across stakeholders.
